

## MAIN HOSPITAL MAP

### Find your destination in the list below.

1. The main hospital is divided into six sections, North, East, South, West, Emergency and Visitor Amenities. Each section has been assigned to a specific color noted on the map at left, as well as the listing below.
2. If your destination is on the 1st floor, follow the signs to the appropriate section and location. If not on the 1st floor, follow the signs to the appropriate section, take elevator to the correct floor.
3. The map identifies where elevators and restrooms are located.
