

2018 Annual Healthcare IT Conference

Innovation and Emerging Technologies in Healthcare

April 20, 2018

Center for Healthy Communities
at the California Endowment
Downtown Los Angeles

The **Innovation Lab** returns this year to the 2018 Annual Healthcare IT Conference. With the help of the Innovation Lab, SoCal HIMSS is encouraging Healthcare Organizations/Vendors to showcase their innovative solutions to the SoCal Healthcare IT Community. If approved, you will have the opportunity to make a five-minute presentation during the program, as well as exhibit to attendees in a specially designated area.

To participate, please send an email to socal.info@himsschapter.org and briefly describe what product/solution you plan on presenting or demonstrating, and in what way you consider it to be innovative (100 words or less).

Participant Fee

\$1,000

Existing HIMSS SoCal Annual Sponsors*, Hospitals and Health Systems may exhibit at no cost.

*Must choose only one exhibit, either regular sponsor table or Innovation Lab.

Innovation Lab is a great opportunity to demonstrate Innovative Healthcare IT Products to over 300 attendees.
